

Each year Angel Business Communications recognises a significant contribution to or outstanding achievement in the industry – this award is not voted for by the readers of the publications but based on the publisher's and editorial staff's opinions.

The 2015 DCS Industry Award is awarded to SUSE

Jason Holloway, Director of IT Publishing at Angel Business Communications states:

“SUSE has been awarded the 2015 DCS Industry Award for continuously rolling out industry-leading technology. Established in 1992, SUSE is now part of Micro Focus, the original provider of enterprise Linux the most interoperable platform for mission-critical computing. With a portfolio centred around SUSE Linux Enterprise, they now power thousands of organizations around the world across physical, virtual and cloud environments.”
