

Nominee: Munters

Nomination title: Innovation, Solutions, People - Going above and beyond

Munters is a global leader and premium partner in energy efficient air treatment solutions. Using innovative technologies, our expert engineers create the perfect climate for customers in a wide range of industries with the largest being the food, pharmaceutical and data center sectors. Munters has been defining the future of air treatment since 1955. Today, manufacturing and sales are carried out in 30 countries by around 3000 employees

With a One Stop Shop from consultation to design, manufacture, installation, commissioning and aftercare our dedicated team of data centre cooling and air treatment specialists go above and beyond the call of duty to deliver for a fast moving sector with stringent requirements while delivering on time and within budget.

Munters continue their commitment to developing products and air treatment solutions to help the end user with their energy efficiency and green initiative targets. With over 60 years' experience in the HVAC industry, Munters has become a leader in its field showing that our company and its employees are innovative solution solvers and our teams show flexibility, initiative and a Can Do attitude when working with customers to achieve their desired outcome.
